

TOWNHOUSE

FEATURES:

- Beautifully Landscaped Parklike Atmosphere
- Ample Parking which includes your own space
- Easy access to all major routes
- Fast access to Downtown Boston

HERE ARE JUST A FEW FEATURES THAT MAKE DALE VILLAGE SUCH A UNIQUE AND DESIRABLE PLACE TO LIVE:

■ Underground Utilities

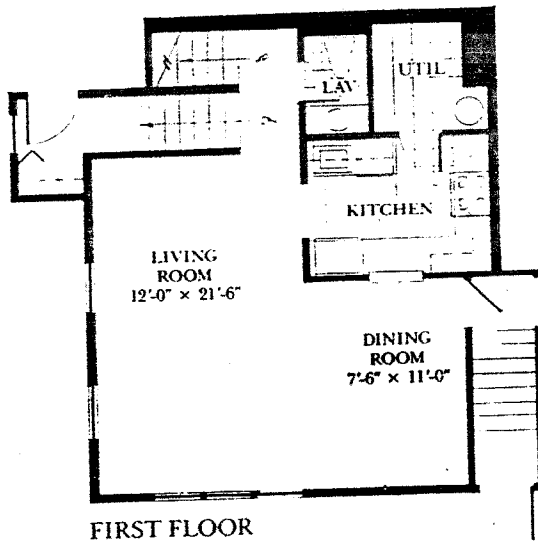

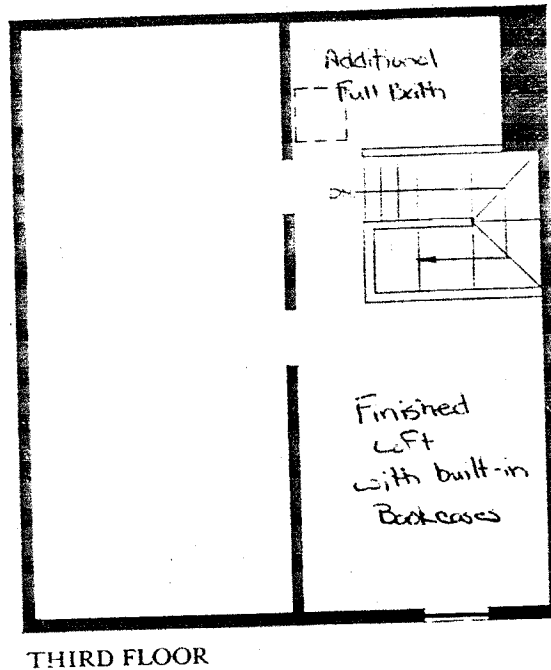

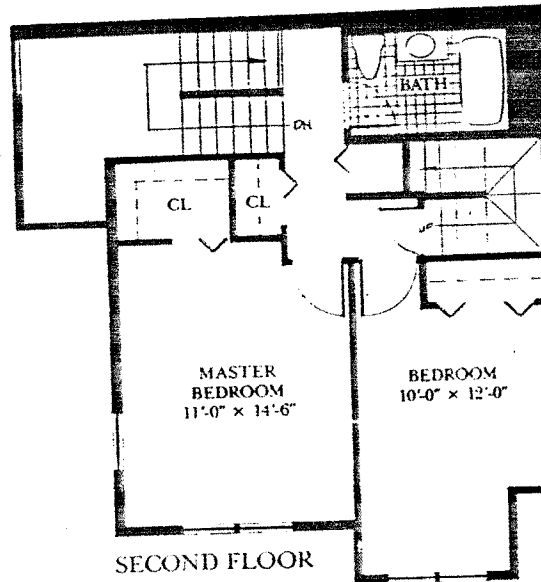

Utilities have been placed underground for aesthetic purposes as well as to protect them from the elements and from casual damage.

■ Clean Gas Heat & Air Conditioning

Modern and effective systems have been installed to provide you with continuous comfort during all seasons of the year.

■ Thoughtful Planning

Residences have been designed to accommodate your present needs as well as the future requirements of today's changing lifestyles. A designer kitchen with a separate pantry as well as your own laundry room have been included, and generous closet and storage space complete this unsurpassed value.

Approximate Sq. Footage = 1729

All dimensions are approximate, and are subject to change. Drawings are artist conceptions, and may differ from actual construction.
